

## BACKGROUND INFO (Not included on form):

- All fields except for other comments at the end are required.
- The form has been separated by conditional categories. So, however the requester answers the previous questions will determine which category of additional sub-questions come up.
- Below is a map-out breakdown of the categories.

## VEHICLE REQUEST FORM

### Important Notes:

- New form should be filled out for each vehicle that has different specifications. If, however, you have multiple vehicles requested with identical specifications, one form may be filled out with the appropriate quantity requested below.
- All class II-V vehicles will be Crew cab, 4WD unless otherwise requested.
- All SUVs will be 4WD or AWD, unless otherwise requested.
- All Class III, IV and V vehicles will be Chassis-cab with dual rear wheels unless otherwise requested.
- All 1500 series trucks will have a 5'7" box unless otherwise requested.
- All Class III, IV and V vehicles will have an 11' service body unless otherwise requested
